COMMENTS ON EXAMINER'S AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Applicant appreciates allowance of this application. Please note that the Examiner's Amendment is incorrect in that in Claim 27, line 7 "along the optical axis of the objective" should be after "corresponding to a distance".

Applicant requests that the Examiner confirm that the corrections are made in the issued patent.

Respectfully submitted,
